About

I write The Practical Engineer, the #1 technology newsletter on Substack. This is my full-time focus, after having left Uber, where I was a software engineer and engineering manager. Before Uber, I worked at Skyscanner, Skype, JP Morgan and smaller companies. I've published the books Building Mobile Apps at Scale, Growing as a Mobile Engineer, and am writing The Software Engineer's Guidebook. Read more about what I do at practicalengineer.com.
